

I went to school at Deep Ditch School. I well remember when I was in the primer—first grade—I was so small. The teacher, Flora Bell Knight, had me to sit back of the heater on top of the homemade desk approximately 4 feet long. I liked school in later years. Mrs. Flora Bell married Vernon Conner. The students all liked Miss Flora Bell. She boarded with Mr. & Mrs. J.C. Rowan.

Time passed on and Miss Flora Belle's son Robert Conner is pastor of Nashville primitive Baptist Church and is our accountant. Doing income tax etc. I do not know where her other son is.

Today I called and made reservations for Outlaw Reunion—Ray City Senior Citizens Center.
