

Lucile & several of the girls went near the ditch where it had wash out one day at lunch. They all tried to dip snuff (Johnnie Astles brought the snuff to school). Several got sick the teacher was John T Lindsay. He sent 2 boys to the woods to get switches. He gave all the girls 2 licks for disobeying his rule no snuff nor go near the ditch. Mr. Lindsay was boarding at our house so I told daddy and mama on him.

Then I was afraid he would punish me. He did not at school however he told me not to tell on him again.

While boarding at our house he married Sally McNabb & she lived there also till school was out. We all liked Mr. & Mrs. Lindsay.
