

Our teachers were Mr. & Mrs. Kitchens. They were well liked by the students and the community.

Valentine Day there were lots of pretty violets in the woods so Mr. Kitchens told all the larger boys & girls to stay & look after the younger students. The older boys got tired of keeping up with us. They went back to the school 10-12 so Mr. Kitchen whipped them.

The next morning the Trustees met & fired Mr. & Mrs. Kitchens so we had no more school that year.
