

We need a little history on W.H.

W.H. finished college (4 years) at Martha Berry, Rome, GA, December 1935.

In the spring of 1936 he taught school at Hoboken, GA.

In the fall of 1936, he taught school at Lone Star. Principal 1936-37 term. He boarded with a Mrs. Purvis out from Adel.

School closed April 2, 1937.

They had what was called school closing, program Thursday night April 1 and Friday night April 2.

Mama, Daddy, Lucile, Sam, Herbert & I went both nights. The program was very good. Of course we got good seats. This was a four-teacher school, including the principal. Everybody had to bring their lunch to school.
