NOTICE

To Whom it may Concern.

Being Proprietors and Sole Owners of
Cook's Patent for Evaporating Pans,
which Patent fully covers the boiling of sugar cane
or sorghum juice in a "*shallow moving body,*"
flowing in transverse currents across the pan,
we hereby give

DUE NOTICE

That the making, selling, or using *any Evaporator Pan* whatever, operated, or to be operated in the manner above described, whether advertised as a patented pan or not, when not authorized by this Company, is a violation of law, and parties guilty of the same *will be proceeded against for infringement of the above patent,* and invasion of the rights of this Company.

Planters and Farmers are specially cautioned, that the use of Evaporator Pans made by themselves, or the so-called patented pans purchased from other parties, renders them *individually liable for damages in suits for infringement of the COOK PATENT.*

The COLUMBUS IRON WORKS Co. of Columbus, Ga., is the only party in the South authorized to manufacture these Pans.
