## PARENTS OR GUARDIANS PLEASE READ.

On or before the first Wednesday of each school month this report will be fined out by the teacher and sent to you for inspection. If this report is not presented at the proper time, kindly notify the teacher.

If a pupil receives D or E on any subject, it should be made a matter of immediate inquiry. Possibly it is to be attributed to lack of study, to too many outside engagements, to irregularities in attendance or to some cause which may be removed.

Special attention is called to the serious consequence of irregular Attendance. It is important to remember that the loss of even a portion of a school session often proves to be a serious interruption to progress, and tends to produce a lack of interest in the school work. Excuses showing good cause for the absence or tardiness should always be sent promptly to the teacher on the return of a child to school. Neglect of this may cause the child to be sent home after the excuse.

We suggest that you talk over this report with your child each time it is received, and if it has any peculiar needs which are indicated to you by the marks on this card, that you confer with the teacher or superintendent regarding it.

If the parents could show their interest in the child and school by occasional visits to the school, it would prove a great source of inspiration and help to both pupil and teacher.

Your hearty co-operation is solicited in the endeavor to secure the best development of your child.
